HÄAGEN-DAZS FRANCHISE HISTORY

Since 1961, Häagen-Dazs has been making an unparalleled ice cream. Our founder, Reuben Mattus, wanted to offer the best ice cream in the world, made from quality ingredients, selected with the greatest care.

The first boutique opened in 1976 in Brooklyn, New York, and the network has since continued its growth in more than 40 countries around the world. Häagen-Dazs was born in an extraordinary kitchen – Reuben's kitchen. Today, inspired by this, we have more than 800 extraordinary shops.

HÄAGEN-DAZS FRANCHISE HISTORY

Häagen-Dazs ice creams are uniquely made in Arras, France. They are crafted from a simple recipe that includes fresh cream, skim milk, fresh egg yolks, sugar, natural flavors, and no artificial colors or flavors.
